School of Medical Simulation

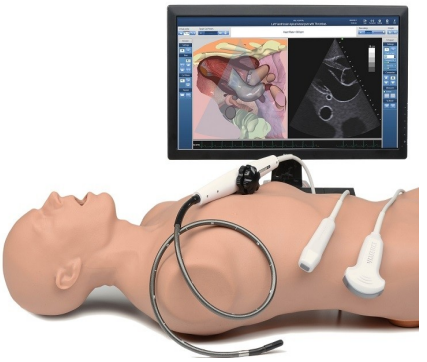
THE TREE CENTER
Teaching and Research for Education in Emergency Medicine and Anesthesia

UNIVERSITÀ CATTOLICA del Sacro Cuore

Advanced simulation

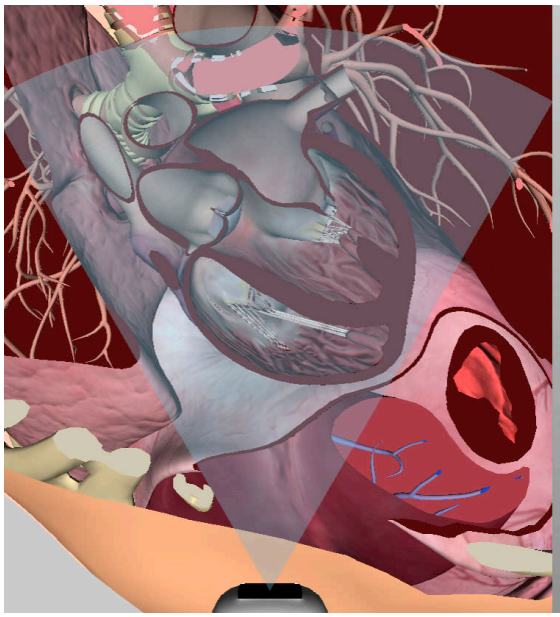
for ultrasound diagnosis

- Transthoracic and Transesophageal Echocardiography
- Thoracic and lung
- Abdominal
- FAST



La **simulazione in Sanità** consente di ottimizzare le **competenze tecniche e** degli operatori in condizioni di sicurezza psicologica e clinica

La **tecnologia avanzata** oggi disponibile consente di riprodurre la realtà con elevatissimi gradi di fedeltà; è il caso dei **simulatori ecografici** come quello disponibile nel corso



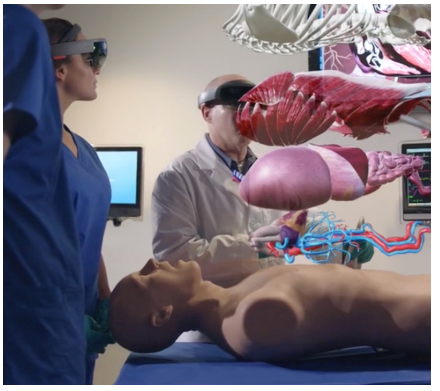
Program

Il corso approfondisce la teoria e consente la pratica della diagnostica ecografica di elezione e di urgenza grazie alla disponibilità di un modello avanzato di simulatore ecografico **(Vimedix, CAE)**

Roma, 4 Giugno 2019

Tree Edu Center

9.00 – 18.00



Sponsored by: Accurate health and learning

UNIVERSITÀ CATTOLICA del Sacro Cuore

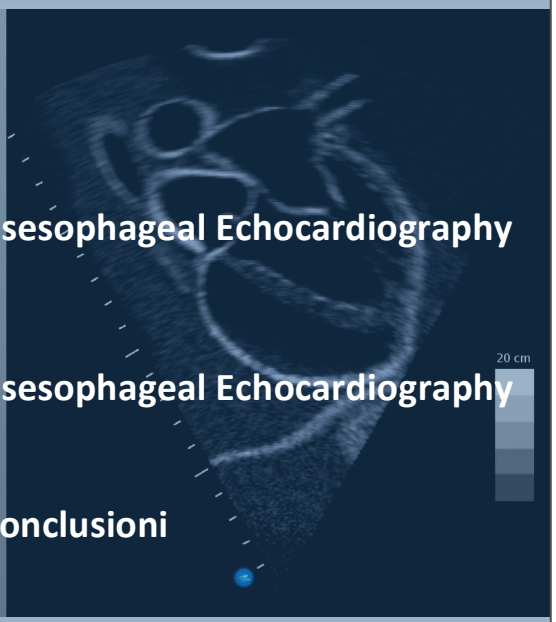
Programma (preliminare)

8.30 Saluti e introduzione

9.00 ECO thoracic and lung, *Riccardo* ***Inchingolo***
Stato dell'arte, teoria
9.30 ECO thoracic and lung
Hands-on

11.00 E-fast, *Antonio* ***Dell'Anna***
Stato dell'arte, teoria
11.30 E-fast
Hands-on



13.30 Pausa and lunch

14.30 Transthoracic and Transesophageal Echocardiography
Daniela ***Pedicino***
Stato dell'arte, teoria
15.00 Transthoracic and Transesophageal Echocardiography
Hands-on

17.00 Discussione, sviluppi, conclusioni
